Published by Two Horizons Press, a division of Supreme Design, LLC.

Two Horizons Press books are printed on long-lasting acid-free paper. When it is available, we choose paper that has been manufactured by environmentally responsible practices. These may include using trees grown in sustainable forests, incorporating

recycled paper, minimizing chlorine in bleaching, or recycling the energy produced at the paper mill. Two Horizons Press is also a member of the Tree Neutral™ initiative, which works to offset paper consumption through tree planting.
